

BSc (Hons) Business

The department of management at St Martin's Institute offers a portfolio of degrees researched and developed by the London School of Economics & Political Science (LSE). These degrees are designed with the needs and demands of the City of London, the World's major banking and financial centre of Europe.

Who is it for?

- If you wish to work in the areas of business, management, accounting, auditing and banking.
- If you are currently working would like to develop your professional skills and knowledge further.
- If you own a business and wish to progress yourself and your business to higher levels.

Features of the Degree

This degree provides a solid understanding of the different functional areas of a business organization and provides a good foundation for a career and further studies.

The social science emphasis allows you to develop a thorough appreciation of business and management within a wider environment.

The degree is designed to develop excellent analytical skills, which are invaluable to the decision-making role of management and for further study.
